

FRIENDS OF BURNLEY GARDENS INC

## Garden Photography Workshop with Paul Kertes

How to photograph gardens, plants and flowers

For beginners and enthusiasts

Saturday April 10<sup>th</sup> 2021

9.30am to 12noon

Paul will give a presentation on techniques for photographing gardens, plants and flowers, illustrated with his own work and also photographs by others. He will cover such topics as composition, light and also camera settings. After the presentation he will take you out into the Burnley Gardens and let you have a go yourselves. He will show you how to identify a good composition, how to capture the feel of a place in your pictures, will assist with choosing camera settings and answer all your questions. Paul is a freelance photographer with diverse interests including garden, travel and portrait photography. You can see his work at [www.pkphotography.com.au](http://www.pkphotography.com.au) or on Instagram @pk\_\_\_photography
