

Winter Propagation Workshop

with Sascha Andrusiak

10am on Saturday 6th July 2024

Join Sascha Andrusiak for a Winter propagation workshop, where a discussion will be followed by morning tea and garden walk to collect cuttings. Sascha will then run a hands-on tutorial in the Burnley Nursery where you'll learn all about propagation of hardwood cuttings and indoor plants. Your cuttings will be nurtured in the Burnley glasshouses to produce the best outcome for your plants, that you can collect when ready later in the year!
